

Llanelli Open Meet 2019

Sunday 10th March 2019

Computer Entries

All entries for the meet have now been entered into a computer and a printout giving details of the entries received from your club is enclosed. Please check these printouts carefully. Should you find any errors that I have been made during data entry phase then please inform me by email (robwilliams1145@gmail.com) as soon as possible, but at the very latest by **Monday 25th February**. It will **NOT** be possible to make any corrections after this date, and entries will then have to stand as per the published programme.

No Shows

Programmes for the meet will be printed in advance showing the heat & lane allocation of each swimmer for each event and heat and there will be no deletions 'on the day'. When a swimmer fails to show in the marshalling area prior to the start of the race then that lane will be left empty. No substitute swimmers will be allowed.
